

Don't miss out on these beautiful opportunities!

Our Girls' Youth activities provide times of encounter with other girls who have the same longings, questions, dreams and ideals as you do.

Yes - times of encounter!

- Encounter yourself—who you are and what your personal mission is
- Encounter the world—face the challenges that surround you and discover ways to conquer them
- Encounter your faith—a faith that is alive and that makes a difference in your life
- Encounter others—the joy of knowing that you are not alone in striving for high ideals
- Encounter Mary—our model of what a true, authentic woman is called to be in these modern times.
